

SPR International Early Career Funding to attend EUSPR 2026 Conference, September 15 - 18, 2026, in Dublin, Ireland - Apply by August 31, 2026.

The SPR Board of Directors has allocated \$3,000 in funds to support early career prevention researchers to attend the **17th EUSPR Conference**. The purpose of the travel funds is to enable **SPR ECPNers** to attend the EUSPR conference and network on behalf of SPR, especially with other early career prevention researchers. The funds would be allocated to support the travel of two early career prevention researchers to attend in person. The applicants will be selected based on maximizing the goals of the program and use of funds.

1. Deadline:

- Apply by Monday, August 31, 2026

2. Eligibility requirements:

- Current SPR member (January 1, 2026 – December 31, 2026). **If you join now**, you are eligible to apply, and your membership will run January 1, 2027 – December 31, 2027.
- Early Career (Assistant Professor, Assistant Research Scientist or Equivalent; 1 – 10 years post-degree) or student (Bachelor's, Master's, PhD, Post-Doc Fellow).
- **Confirmed presenter at the EUSPR conference.**
- U.S. residents and international residents may apply.

3. Application Process:

- **Complete the application at**
<https://www.surveymonkey.com/r/2026spreusprEC>.

4. How funds will be provided.

- Funds will be disbursed to **in-person attendee awardees** upon submission of travel reimbursement request form with supporting receipts and brief report (300-500 words) describing conference experience. Travel funds may be used to cover airfare, lodging, ground travel, and registration.

The Society for Prevention Research is an international, multi-disciplinary organization dedicated to advancing scientific investigation about how to prevent negative outcomes and foster well-being for individuals, families, and communities. We also seek to ensure this knowledge promotes a healthy and equitable society through the use of research-informed and socially just programs, practices, and policies.
